West Tytherley Newsletter

5th May 2017 Summer Term

Dear Parents,

Thank you to everyone who came to our meeting on Wednesday concerning our future plans for the school. It was great to see our wider school community of staff, parents and governors coming together to discuss the issues we face.

As I explained, the situation for school funding is not good nationally and locally, all our village schools are facing big cuts.

Although change is unsettling for us all, we hope that you feel reassured that we are doing the very best we can to ensure a high standard of education for your child going forward.

We do need all of your support to help us and we are encouraged by all the wonderful comments we received after the meeting.

If you feel you need to chat to us with any concerns please let us know.

And in the meantime, I would urge you to support our wonderful PTA in all their fundraising efforts on behalf of the school. It truly makes a huge difference to the school and enhances your child's education.

Thank you

Mr Warren

Thought for the Week

This week we thought about caring. We heard, saw and joined in with a dramatized Bible Story (Mark Chapter 10) – seeing how Jesus cared for everyone, not just adults. We prayed: *Dear God, thank you for the story which reminds us that Jesus made a special time for the children. Amen*

PTA 50:50 club:

THIS FUND-RAISING EVENT

We were delighted to receive a wonderful letter this week and wanted to share it with you all:

“Dear Mr Warren

I am the grandmother of two of your students. I would just like to tell you that I think both the school and your staff are absolutely brilliant. I can only speak from the experience that both of them have had in your care. I have great admiration for all of you and the way you run your school. I truly hope that you get all the support you need to keep your school open.

I wish all my grandchildren could have the same experience but alas this cannot be.

My grandson attends a local school in Dover, Kent.

Obviously this is much bigger but there is no comparison to the care and attention you give to each and every child.

My regards to you all.”
