The little blighters are back in school. Please check your child's head every day and treat accordingly; if we all work together we can stop them spreading. Thank you.

20TH OCTOBER: SCHOOL PHOTOS

Our school photographers will be taking individual and sibling photos next Tuesday 20th October.

Pre-school children can be included with their older siblings and these photos will be taken before school from 8.30 am in the village hall.

Siblings who are both at the school will be photographed during the normal school day.

Thank you

THOUGHT FOR THE WEEK

This week our theme has been Pets. It seems that most families have a pet of some sort (the listed included snakes, chickens, spiders as well as cats and dogs...). We were reminded of the things that animals need to flourish (food, care, cleaning, warmth, shelter, exercising and play) and of our responsibilities in looking after them. It seemed like a good way to follow on from last week's theme of 'Harvest' in thinking about how we need to look after God's world.
