Thought for the Week

After thinking about weather we prayed: *Dear God, Thank you for the beautiful world in which we live, and thank you for being our loving Father. Thank you for the sunshine we enjoy, and for the rain that refreshes the earth. Forgive us when your world is spoilt by our greed. And help us to share the many good things that we enjoy, with those who have so little. Amen*

Vicar James

To find out what people might be looking for we are conducting a survey and would really appreciate your input. It is a computer-based survey at:
