WASP NESTS

We would like to reassure parents that following an incident this week when some children disturbed a wasps nest, we have had a specialist come in and remove the nests in the allotment and the learning garden.

Music Mark Award 2018-2019

I am very pleased to inform you that West Tytherley CE Primary has been nominated by Hampshire Music Service to receive a National Music Award.

They recognised the special value that we place upon music education in our school and have requested that we become a 'Music Mark School Member'.

Our staff, Mrs Beaton and Mr Sheffield work very hard to ensure that all pupils are able to access and engage with a high-quality music education. This award celebrates our dedicated approach to offering and delivering a broad and balanced curriculum.

I would particularly like to thank all our pupils, who enjoy and actively engage in music sessions, whether it be group 'Listen 2 Me' sessions or individual instrumental teaching.

Today, we have received a certificate to mark this achievement – of which we are very proud.

Mike Warren, Headteacher

Thought for the Week

This week we had the 'Open the Book' Team visit and help us hear about 'The Marvellous Picnic' (Feeding of the 5000). We

learned how even the little good that we can do makes a difference. And, we prayed: Dear God, we know that there are lots of people in the world who need help to have enough food to eat. Please help us to be like the little child in the story and give what we can – even if it's only a little bit. Amen
