OAK CLASS - WATERCRESS LINE

Wow! Our children looked amazing dressed up for their Trip on the Watercress Line this Thursday.

They were issued with gas masks and experienced what it was like to be an evacuee, taken away from home on a train. They had lunch in the waiting room at platform 1, Ropley station.

All in all a very memorable and informative day and Miss Moore will be uploading some photos soon.

THOUGHT FOR THE WEEK

This week we have been thinking about working together. We heard the story of the 'Tower of Babel' and how we need to value people who have different gifts from us. And we prayed: Lord God, help us to work together in peace, help us to listen to each other in silence, help us to care for each other in love. Amen

FLU VACCINATIONS - YEAR R-5

Over the next week we will be sending out consent forms for the flu vaccination. This is a free vaccination given by a quick and simple spray up the nose.

Please return your form, even if you do not want your child to have the vaccine.

Thank you.

REPORT

This year we managed to raise £12,715.00, which is absolutely fantastic! There are possibly a few more things to be added that will go through to the next financial year.

A huge, huge "THANK YOU" for your fabulous support, without you helping we could never achieve this amazing amount.

We have been able to purchase an interactive whiteboard for the school, Listen 2 Me music tuition, books for the library, various resources for the children, coach travel and a computer (including installation). These are just a few of the things we have helped the school to purchase and we will always be grateful for the parents who have kindly contributed as always to our wonderful school.

We warmly welcome new members, please speak to the school office or any of the above parents if you are interested in helping us with the Halloween disco or the Christmas Bazaar. We are a friendly team and all help is very much appreciated.
