

## WEST TYTHERLEY CE PRIMARY SCHOOL

### SPORTS PREMIUM FUNDING 2018/19

Physical Education and School sports is an area where all pupils can enjoy and achieve, building on a platform for life long physical activity in an environment where *everyone* can succeed and thrive. At West Tytherley, the school sports funding will enable us to improve the quality & provision of physical education (PE) and sport for the benefit of all children.

At West Tytherley, our main objectives for improvement are:

- to increase pupil participation in sporting activities in school, after-school clubs and within the wider cluster
- to ensure that all children can access and enjoy a wider range of sporting activities
- to offer all children a varied programme of sporting opportunities that develop self-esteem, competitive spirit and team work.
- to increase the use of specialist coaching to enhance the quality of teaching of physical education and provide supportive staff development.
- to improve the range of resources available to children, to enhance provision in games/PE and at playtimes.

### **Impact Statement for 2017/18**

- Embedded assessment has enabled us to support and challenge individual children.
- Provision at lunchtime targeted those pupils who were unable to attend after-school activities
- Achievement of the Bronze Sports Mark – aiming for Gold within the coming year.
- Tailored extra-curricular activities during lunchtimes to target all children, to increase participation and motivation
- Embedded daily mile across the school to increase concentration and stamina for all pupils
- Highly motivated team that take part in inter-school competitions
- Established a Play Leaders initiative to train children in leading small group games at lunchtime. This, in turn, has helped to increase the quality of play and social skills – as well as the leadership skills for our play leaders.
- Promoted active playtimes for all children through our 'Sports Ambassadors' programme. Older children have developed their leadership skills and offered greater opportunities for others to get involved in team games.
- Held a highly successful 'Active and Healthy celebration' week involving professional coaches to deliver a range of exciting sport opportunities and activities.

## WEST TYTHERLEY CE PRIMARY SCHOOL

### Proposed Use of the Sports Premium Grant 2018/19
