8th July 2016 - Summer Term

Dear Parents and Carers

We are fast approaching the end of term but there are still plenty of exciting things happening in School!

On Monday and Tuesday our KS2 children will be performing their play, *Pirates of the Curry Bean*. They have been rehearsing like mad and we know the show will be fantastic! A big thank you to parents for coming up with some wonderful costumes, we saw them all today at the dress rehearsal and they look so professional!

School reports will be going out over the next few days so look out in bookbags. Teachers have worked really hard to give parents as much information as possible on their child's progress and I would like to thank them for all their hard work. I am sure you will enjoy reading them with your child.

All school clubs have now finished however music lessons continue for one more week. We have some spaces for music lessons next year so please speak to Mrs Newitt in Reception if you are interested.

Finally, may I ask that you ensure your school account is paid up to date as soon as possible so we don't have to send out the red reminders! We also need all school library books back in school please.

Thank you and I wish you a very happy weekend!

THOUGHT FOR THE WEEK

This week those in Years 5 and 6 had the chance to come to 'Life Expo' to learn more about Jesus and Christian Beliefs. More than 400 children from the local area took part and it was great to see all the children focusing and thinking! Our theme for the week in School was 'Moving On' and all of us are now looking towards the end of term and the Summer Holidays. I hope that we remember our friends and that at the End of Term we can celebrate the great year that we have all had!
