GET INVOLVED!

The Governing Body is currently looking for a new parent governor and would like to

approach the parental body to ask if there are any expressions of interest.

Being a governor is a very rewarding role - making sure that the school continues to provide good quality education for all its pupils. Governors work as a team with Senior Leaders to encourage effective ways of teaching and learning by setting the school aims and policies.

All Headteachers need an effective Governing body to act as 'critical friends' – providing both support and challenge to the school leadership.

If you would like further information on getting involve in this special way, please speak to either Nicola French (Chair), or follow this link on our school website :

THOUGHT FOR THE WEEK

Again this week I have been away and missed the chance of being in School. Our theme of the week has been 'Autumn' and, looking at the trees, it is clear that Autumn is here, with the leaves changing colour and starting to fall. John Keats wrote a poem about Autumn – an Ode to Autumn. In that poem he writes about how Autumn is the 'Season of mists and mellow fruitfulness... conspiring to fill all fruit with ripeness to the core...and plump the hazel shells'. As we get closer to celebrating Harvest time, do look around you and see the signs of the changing season. And give thanks to God for the wonders of creation.

PTA - AGM

Minutes of the AGM are available on our website!!!!

We desperately need to keep the PTA running and ask if there is anyone out there who would like to be Chair to help us support our wonderful school.

We also need volunteers for all of our events which help the process run smoothly. All we ask is a little bit of time spent to set up and put away (depending on what the event is) and also for our Christmas Fayre.

Please speak to Louise Willis, Amanda Thomas or the School Office if you are interested.

From its early beginnings, founded in 1911 by Douglas Macmillan, Macmillan Cancer Support has grown to become the largest cancer care and support charity in the UK.

As well as helping with the medical needs of people affected by cancer, Macmillan also looks at the social, emotional and practical impact cancer can have, and campaigns for better cancer care. Macmillan Cancer Support's goal is to reach and improve the lives of everyone living with cancer in the UK.

World's Biggest Coffee Morning is Macmillan Cancer Support's flagship fundraising event. Each year, members of the general public host their own coffee morning and the donations received go towards Macmillan services.

In addition we would like the children to be involved by donating a minimum of £1 to the charity and in return they can attend school on Wednesday in non-school uniform!

For addition information on the coffee morning and information on how you can participate please contact Gabby Fletcher-Ralph on 01980 867 852 or via email on gabsfletcher@hotmail.com. Please visit the website for more details <http://coffee.macmillan.org.uk/>
