14th July 2017 Summer Term

Dear Parents,

### Our Hero... the Amazing Superstan!

Since half-term, all our Junior children have been involved in putting on a show – and what an amazing show it was - “The Amazing Adventures of Superstan!”

Our parents commented of the quality of the performance and the way in which the children enjoyed themselves, sang with enthusiasm and took on characters that had the audience laughing.

A special thanks must go to Mrs Goulding who has been a resident crew member – making props and scenery to bring the show to life; Miss Hodgson and Mrs Procter who have produced the show and worked with the children to achieve a polished performance; Mrs Rose as our lighting technician and Mr Parker who helped me get all my sound and scenery cues in the right place; Mrs Newitt who, coordinated, sourced and made many of the wonderful costumes; and Mrs Ralfs who supported the children during the performance.

Thank you for the support that you have given as parents in encouraging your child, practising their lines and being an excellent audience for both evening performances. We are all very grateful for the amazing talent that you have provided us to work with.

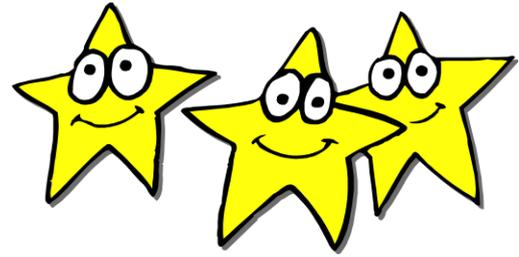

Well done everyone! It was a huge success – a production that we will all remember for many years to come.

# SCHOOL RESULTS

## Our Children Have Done Us Proud!

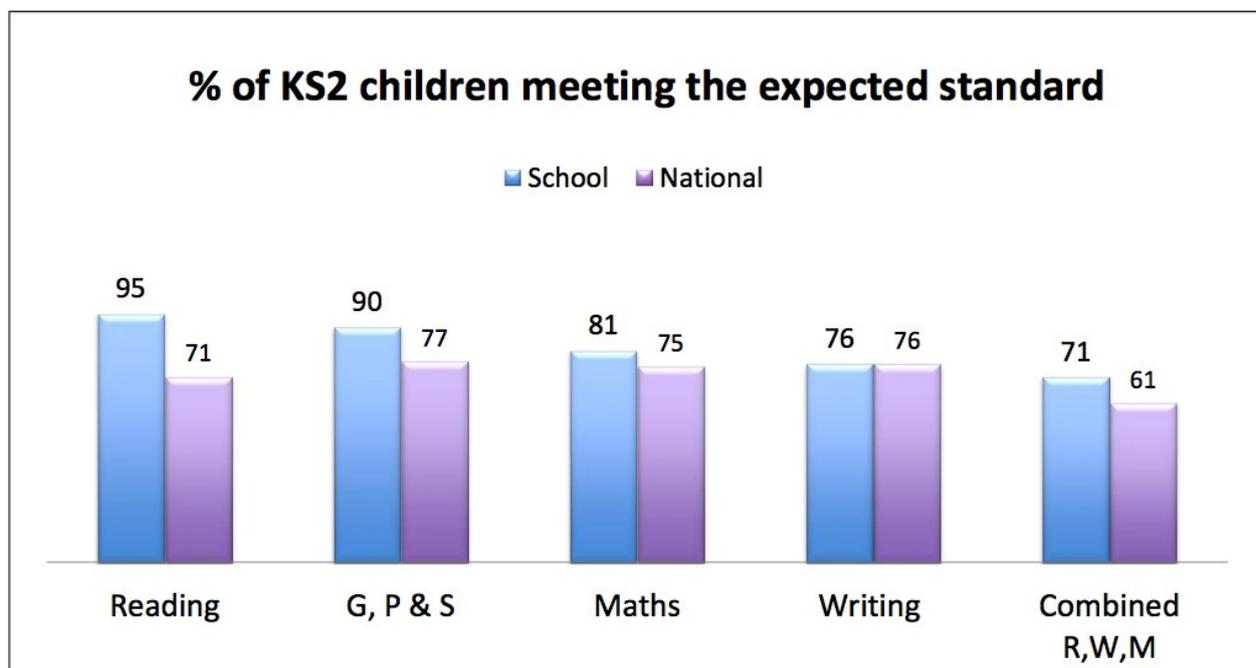

Our Year 6 children have recently undertaken their Key Stage 2 SATS.

These have now been completed and we have received the results from these tests.

We are very pleased with these outcomes, which are a proud testament to the staff and children at our school. They have all worked so hard, developing self-confidence and a determination to try their best and succeed!

The expectations have increased over the past few years for all children nationally and this has meant that children have had to achieve an even higher level than previously. Once again, the children at West Tytherley has risen to the challenge!

Well done – we are all so proud of you!

# THANK YOU!

What a fantastic night we all had at the PTA Summer BBQ.

Thank you to everyone involved in organising it, running stalls, selling raffle tickets, performing and to everyone who came along and supported the event. We hope you had a great time.

Overall we raised a record

**£3,400**

for the school - a fantastic result!

## VACANCY: LUNCHTIME SUPERVISOR

Tuesdays and Thursdays from September

Please speak to Kim in the office if you are interested.

## MISSING ICE PACKS

We are missing some of the school ice packs following the BBQ. Possibly they were taken home in an ice box. Please can they be returned to school as soon as possible as we need them for bumps and scrapes!

## NITS!

We have some cases of nits in school again. Please check your child's hair regularly and treat as necessary.

Don't forget to return your library books.

Thank you!

## Thought for the Week

This week we have been thinking a little about colour and how significant it is in our lives. We also thought about 'Respect' – hearing a story of a cat who learned to respect others. Then we prayed: Heavenly Father; Help us to understand that if we do wrong then other people often suffer as a result. Give us the courage to be honest in what we say and do. If people do wrong to us, then make us generous in forgiving them. Amen
