WALK TO SCHOOL WEEK

Walking makes our children healthier and happier! It's been proven that keeping active in this way reduces the chances of becoming obese, developing heart conditions and other diseases.

Not to mention it keeps the planet happier too! There are cars everywhere you look polluting the air and increasing carbon emissions so by cutting down on fuel use the world says greener too.

Right now only half of 7-10 year olds do the recommended hour of exercise a day so its up to parents, siblings and teachers to encourage more activity!

The campaign in 2014 was a great success with lots of parents making the decision to leave the cars at home and walk children to school instead. In fact, over one million children in over 4000 schools participated in the event

The purpose of the campaign, which has been observed since 1995 is to motivate children to look at road safety awareness so they feel more confident about walking around safely on their own when they're older.

OUTSTANDING DEBT

Please may we ask that all dinner money debt is paid in full before the end of March.

Please support this fundraising event!

Semi famous puppeteer Frank Stein has had enough of his badly made puppets. With the help of the audience he creates a new real live puppet that is destined to change his life forever!

OUR GOVERNING BODY

The Governing Body works as a team, with the Headteacher, to manage the school. They are responsible for making sure the school provides good quality education. Governors encourage effective ways of teaching and learning by setting the school aims and policies. They work very closely with the Headteacher, who is responsible for the day to day running of the school.

THOUGHT FOR THE WEEK

This week we have been thinking about helping others. We have been reminded that we are all loved equally by God and should treat each other equally. We encouraged each other to be nice and friendly. Maximus Mouse showed God's care in helping find Percy who was lost and then found. So, remember that you are loved and share that love with all others.
