Thought for the Week

This week as we have thought about Care and Safety, we have also learned about Trust. We saw the story of 'Spies in Canaan' acted out and thought about who the Hebrews should have trusted. Our prayer this week was: *Dear God, help us to know who we should listen to and who we should trust. Thank you that you plan good things for us and want us to be happy. Amen*

Two Success Stories from Oak Class

During the weekend (the 27th-28th October) I went to Poole Swimming club and competed in their annual open meet. I swam 50m freestyle, 100m freestyle, 50m breaststroke, 100m breaststroke, 50m butterfly, 100m butterfly and the 100m individual medley.

I won seven medals (four gold, one bronze and two silvers).

Sid and Olly's Victory

On Sunday (the 28th October) we went to New Milton rugby tournament and played some of the best teams of 2018 including: Winchester A team, Fordingbridge, Bournemouth, New Milton, Overton, Trojans and Alton.

We played proper contact rugby and won the tournament by one try. It was cold and windy but we fought through and won :)

CHILDCARE AFTER SCHOOL

It seems there may be a need for short-term childcare at the end of the school day to help out some parents who find it difficult to get here for 3.15pm.

We are looking into whether it would be possible to set something up at the school and need to know how many people would find this useful.

The proposal is to offer childcare up until 4pm only at a cost of £2.50 per child. This could also be useful to parents who have been unavoidably delayed. Children would be supervised by a member of staff but we do not propose to offer any snacks, other than drinks.

The school would need to pay a member of staff to stay on and supervise the children so we need to cover this cost. Please can you therefore let us know:

1. if this would be a useful service
2. how often you would expect to use it, including specific days if you would anticipate a regular booking

Thank you for your help.
