Thought for the Week

This week I have been travelling around the south of England doing some work for the Church. I hope that you have been working hard too! Sometimes, it is difficult to concentrate and keep on going – but Christians believe that God can help. We can pray: *Lord, You are my Rock and Guide. You lead me through life's dark tide. Your love is true, You protect me day and night. I know that when I am lost, you'll help me find the path again. In times of trouble and distress, you grant me peace within my heart. Amen...*and then we can listen for God's words and answers!

Vicar James

	Theme of the assembly is Creativity	What we have learnt
Monday	We continued to practise our new song 'Be the Change'	<i>We are using actions to help us remember the words. The song is all about making a difference—Archie</i>
Tuesday	Our class worship was based on Earth Day and how we can reduce plastic	<i>This links to our value of creativity and how we should after God's planet—Reuben</i>
Wednesday	Reuben and Hugo led a child-led assembly about how we can make choices in school to help save the planet	<i>We can turn off lights when we leave a room to save electricity— Florence</i>
Thursday	Miss Hayter led an assembly on Genesis 1 and 2	<i>God made all the things we made in life and we need to look after them—Alica</i>
Friday	Celebration assembly	We continued to celebrate children who have shown creativity through their learning

Dear Parents and Carers,

We are now two weeks into the Summer term and it is nice to see a slight improvement in the weather!

SIAMS Inspection– Thursday 2nd May

We have heard that SIAMs will be visiting us next Thursday. There is a letter in the comms files that gives further details about this visit. If you have any questions, please don't hesitate to contact us to ask.

KS1 Tri Golf Competition

Another strong performance from our Chestnut class resulted in a very good 2nd place overall. They were pipped by one point.

On the back of winning the cluster gymnastics festival this is definitely a team to watch!

Well done to you all.

Bright Futures Careers Events

Thank you to all those who have returned forms. Please can I encourage everyone to have a think about volunteering. I need a wide range of jobs to offer and I am short on those jobs that involve manual work: where are the builders, plumbers and mechanics please?

If you are unsure, then please do come and find out more about it

Cheerleading with Integr8 Dance

The children in Willow and Oak (and especially Miss Lee) are enjoying their Thursday cheerleading sessions. Please ask them to show you what they have learned so far!

Wessex Archaeology Visit- Monday 29th April

We are looking forward to welcoming the group into school to work with children examining a range of artefacts and making connections based on a range of historical evidence sources. We will present our findings in the next newsletter.

Sports Day

This week you will have received e-mails about the organisation for sports day. Please help us with organisation of the event by ensuring that children have the right uniform and are aware of your plans for the day.

Diary Dates

Please read all communications from school and check the website and newsletters for details of events that will be happening over the course of the term.

Wishing everyone a wonderful and sunshine filled weekend

Lucy Macey

Headteacher

Skips Safety Net

Keeping children safe online

A Parent's Guide to Safety and Privacy Settings

When you give a child access to the Internet you give them access to the adult world.

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
