

West Tytherley CE Primary School

Monday 4th July 2022

Dear Parents,

The newsletter arrives on Monday this week, following an exceptionally busy Friday!

Sports Day- Wednesday 29th June

I was very impressed by the children's attitude and behaviour at our Sports Day this year. It was great to see them competing and supporting each other, in equal measure. Thank you for your support, it was lovely to see so many of you there.

We have achieved the Gold Sports Award

This year we were delighted to be graded and awarded the Gold School Games Award. A significant upgrade from last year's silver.

This is in recognition of the excellent provision the West Tytherley has in all areas of sports for all ages of the children at school. We are graded according to the following criteria: The number of clubs we offer, the number of competitions that we enter and the breadth of P.E. Curriculum that is offered to all children. We are exceptionally pleased to be awarded gold this year and our thanks goes to Mrs Finlay, who is so instrumental in the organisation of all our events.

This is a step in the right direction towards West Tytherley being a school renowned for, not only excellent sports provision, but also excellent achievement.

Reports

On Friday you will have received your child's report and I hope that you found it informative and useful. This is one way in which we communicate with you about what your child is doing at school: Others include, the weekly newsletter, which contains detailed reports of what your child has been learning, parents evenings and e-mail communications and of course a wealth of information available on the website.

If you have any questions following the report, please do not hesitate to e-mail the school to arrange a discussion with the Class teacher or Head teacher.

Move up Tuesday

Your child will have the opportunity to spend the day with their new teacher tomorrow. There will also be a chance for parents to meet the teachers themselves, in school at 3.30 pm. We can keep an eye on children during this time, outside in the playground.

SATS Results

If your child is in Year 2 or 6 they will bring an envelope home on Tuesday 5th July with their 'results' in. If you have any queries please don't hesitate to contact the school.

Phonics Score- Year 1

Following the Year 1 phonics screening check, your child will bring home the results of this test tomorrow. Please read the letter in the envelope, for context.

Please remember that all results are confidential and should be treated as such. We encourage children with KS2 SATS to avoid asking each other directly about their results, in case it causes undue concern.

Please see below for the list of events towards the end of term

Kind regards

Lucy Macey

INSET Days for the next academic year 2022/2023

21st October 2022

30th January 2023

31st January 2023

20th February 2023
