

The Beech Bugle

What makes a Hero?

This term the children in Beech class have been thinking about the skills and traits of real life heroes. We were very lucky to welcome three guests into our classroom to find out about their roles in our community.

First, Alex's mum came to tell us about her job as a doctor at Southampton

Hospital. The children loved learning about the equipment she showed and learning how to be heroes themselves by moving unconscious people into the recovery position.

Next, Sara-Jane's mum, a veterinary nurse, came (with her dog) to show the children how she looks after animals that need help. The children learned how to listen to a heart beat and bandage a pet.

Finally, Vicar James came to tell the children about the day in the life of a vicar.

They found out about all the ways a vicar helps others. Vicar James also told the

class about the meaning behind the Lord's prayer.

The class used books and stories to also find out about heroes. They looked at 'The Little Red Hen' and how she worked hard to make food

for others.

The children planted their own wheat and are

looking after the seedlings in the hope they produce seeds. They enjoyed designing and making bread too.

Why do Christians put a cross in the Easter Garden?

During RE lessons, the children explored the Easter Story and made their own Easter Gardens.
